VII. Read the passage below and decide whether the statements are True or False. (1.0 pt)

The internet is a great place to look up information. The same information may be found in libraries, but the Internet makes information available 24 hours a day. Furthermore, information on the Internet may be more up-to-date, and some would never be found in a library. The Internet is not a replacement for libraries, but it is an extremely valuable supplement.

Đề Thi vào lớp 10

When you are connected to the Internet, you are ready to start searching. The basic step for finding what are you looking for in a fast and easy way is: Find a search engine. A search engine is a useful tool for looking up information on the Internet. Basically, it is an Internet site that will do the searching on the Internet for you. There are many different search engine and websites for you to use. They are divided up into several categories for your convenience. This will allow you to select a site that will be better for searching different topics.

- 31. The Internet is a good way to get information.
