

## PROJECT UNIT 12 SGK TIẾNG ANH 9

### 1. Describe the picture. (*Miêu tả bức tranh*)

### **Gợi ý:**

There is a girl standing in front of her future career path. She is thinking about her process to become a doctor. First, her dream job is a doctor since she was little, she told that to her parents. In high school, she will try to study hard to enter a medical university. After that, she even plans to go study abroad. Finally, she can make her dream come true – being a doctor in hospital.

### **2. Draw a picture of your imagined career path. ...** (*Vẽ một bức tranh về con đường sự nghiệp của chính bạn. Trình bày trước lớp.*)

### **Explain:**

- Why do you think your career path is the way you have drawn it?
- What are the factors you will consider as you do along the path?
- Who do you will help you along the path?
