- D. I think so.

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct word or phrase that best fits each of the numbered blanks from 25 to 29

The combination of music and study has long been a source of disagreement between adults and children. Parents and teachers alike maintain that silence is important when learning, (25) youngsters insist that their favourite sounds help them concentrate.

Now a study shows the grown-ups have been right all along. Psychologists in Florida tested how fast students wrote essays with and without music in the (26) They found that the sounds slowed progress down by about sixty words per hour. 'This demonstrates clearly that it is difficult to cope with listening and writing at the same time,' said Dr Sarah Randall. She also (27) to conclusion that it is a myth that instrumental music is less distracting than vocals. 'All types of music had the same effect,' she said in her report. 'One's ability to pay attention and write fluently is likely to be disturbed (28) both vocal and instrumental music,' she added.

Dr Randall claimed the research demonstrated that the idea that music could improve performance was wrong. 'Writing an essay is a complex task. You are recalling information and putting it in order. An additional stimulus in the form of music is bound to distract. But music is not the only distractor. What is (29) worrying is that more and more teenagers are studying in front of the television.

Question 25:

- A. whereas
- B. unlike
- C. besides
- D. despite

Question 26:

- A. setting

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

- B. drew
- C. arrived
- D. came

Question 28:

- A. by
- B. in
- C. for
- D. from

Question 29:

- A. partly
- B. largely
- C. particularly
- D. mainly

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 30 to 34.

Around 365 B.C, in ancient Greece, the great teacher Plato told a story about a place called Atlantis. Plato described Atlantis as a continent in the Atlantic Ocean. He said it had been the home of powerful people who were destroyed when the continent was swallowed by the sea.

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

Ever since Plato's time, people have wondered if the story about Atlantis was really true. Was there ever such a place as Atlantis? During the Middle Ages, many people believed in the legend of Atlantis. Some men even made voyages to find the "lost continent". Later, most people believed Atlantis to be just a myth. Scientists could find no evidence to show that such a place had ever existed.

Ideas change in time, however, for now some scientists think that Atlantis might have been a real place. A Greek professor has offered a new theory. He says that Atlantis was not a continent in the Atlantic Ocean an island called Thera in the Aegean Sea. The professor says that 3500 years ago much of Thera collapsed into the sea when a volcano erupted. He thinks that before the **explosion** Thera had been the home of people called Minoans. The Minoans were sea traders who ruled the Aegean Sea from 2000 B.C. to 1250 B.C.

Scientists who have come to investigate Thera have found an ancient city buried beneath volcanic ash and stone. It appears that the people who lived in the city had an advanced civilization. They were probably Minoans.

Is there the "lost continent" of Atlantis? No one may ever know for certain. Atlantis may remain a riddle without an answer.

Question 30: A lot of people in the Middle Ages _____.

- A. thought that Atlantis was only a myth.
- B. found some evidence about the "lost continent"
- C. made voyage to visit Atlantis
- D. believed in the existence of Atlantis

Question 31: Who were the ancient Minoans?

- A. scientists
- B. sea traders
- C. teachers
- D. Greek professors.

Question 32: The word "**explosion**" in paragraph 3 can be replaced by _____.

- A. investigation.

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

- B. invasion
- C. excursion
- D. eruption

Question 33: Why did Thera collapse into the sea?

- A. A volcano erupted
- B. Stones buried it
- C. No one believed it
- D. Thera was lower land

Question 34: What is the best title for this passage?

- A. Atlantis
- B. Searches of scientists
- C. The Search of a Lost continent
- D. Legend of Atlantis.

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 35 to 42.

Native Americans probably arrived from Asia in successive waves over several millennia, crossing a plain hundreds of miles wide that now lies inundated by 160 feet of water released by melting glaciers. For several periods of time, the first beginning around 60,000 B.C and the last ending around 7,000BC. , this land bridge was open. The first people travelled in the dusty trails of the animals they hunted. **They** brought with them not only their families, weapons, and tools but also a broad metaphysical understanding, sprung from dreams and visions and articulated in myth and song, which complemented their scientific and historical knowledge of the lives of animals and people. All this they shaped in a variety of languages, bringing into being oral literatures of power and beauty.

Contemporary readers, forgetting the origins of western epic, lyric, and dramatic forms, **are easily disposed** to think of “literature” only as something written. But on reflection it becomes clear that the more critically useful as well as the more frequently employed sense of the term concerns the artfulness of the verbal creation, not its mode of presentation. **Ultimately**, literature is aesthetically valued, regardless of language, culture, or mode of presentation, because some

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

significant verbal achievement results from the struggle in words between tradition and talent. Verbal art has the ability to shape out a **compelling** inner vision in some skillfully crafted public verbal form.

Of course, the differences between the written and oral modes of expression are not without consequences for an understanding of Native American literature. The essential difference is that a speech event is an evolving communication, an “emergent form”, the shape, functions, and aesthetic values of which become more clearly realized over the course of the performance. In performing verbal art, the performer assumes responsibility for the manners as well as the content of the performance, while the audience assumes the responsibility for evaluating the performer’s competence in both areas. It is this intense mutual engagement that elicits the display of skill and shapes the emerging performance. Where written literature provides us with a tradition of texts, oral literature offers a tradition of performances.

Question 35: According to the passage, why did the first people who came to North America leave their homeland?

- A. They were hoping to find a better climate.
- B. They were seeking freedom.
- C. They were following instructions given in a dream.
- D. They were looking for food.

Question 36: The word “**They**” in paragraph 1 refers to _____

- A. Native Americans
- B. melting glaciers
- C. The first people
- D. the animals

Question 37: The word “**Ultimately**” is closet in meaning to

- A. frequently
- B. normally
- C. in the end
- D. whenever possible

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

Question 38: The word “**compelling**” is closest in meaning to

- A. joyous
- B. intricate
- C. competing
- D. forceful

Question 39: What is the main point of the second paragraph?

- A. Oral narratives are a valid form of literature.
- B. Public performance is essential to verbal art.
- C. Native Americans have a strong oral tradition in art.
- D. The production of literature provides employment for many artists.

Question 40: According to the passage, what responsibility does the audience of a verbal art performance have?

- A. They provide financial support for performances.
- B. They judge the quality of the content and presentation.
- C. They participate in the performance by chanting responses.
- D. They determine the length of the performance by requesting a continuation.

Question 41: Which of the following is NOT true of the Native American literature discussed in the passage?

- A. It involves acting
- B. It has ancient origins
- C. It has a set form
- D. It expresses an inner vision.

Question 42: What can be inferred from the passage about the difference between written and oral literature?

Đề thi thử THPT Quốc gia 2020 môn Anh có đáp án mã đề 407

- A. Written literature reflects social values better than oral literature does.
- B. Written literature involves less interaction between audience and creator during the creative progress than oral literature does.
- C. Written literature usually is not based on historical events, whereas oral literature is.
- D. Written literature is not as highly respected as oral literature is.

Mark the letter A, B, C, or D on your answer sheet to indicate the underlined part that needs correction in each of the following questions.
