Audio script

In 2004, 120 young people from ten European countries met in Berlin at the first Youth Eco-Parliament. They gave ideas for improving the environment. Here are some of the things they advised us to do:

- Recycle more rubbish (for example, glass, paper and plastic, etc.).
- Pick up rubbish in parks or in the streets.
- Save energy - turn off lights and TVs when you're not using them.
- Use reusable bags instead of plastic bags.

Writing

IV. Write a paragraph of 50-60 words about what you think we should do to improve the environment. Use the ideas from 3 or your own ideas.

Answer

I think we can do many things to improve the environment around us. Firstly, we can use reusable bags instead of plastic bags. Secondly, we should turn off lights and TVs when you're not using them to save energy. Finally, we should cycle to school or walk to school to reduce polluted air.
