Did you ever wonder why it is so difficult for adults to start to learn English or a foreign language? Every year, millions of **grown-ups** around the world spend a large amount of money on learning English but not many of them succeed in becoming fluent English speakers. This is because it is not easy to pick up a new language after a certain age.

However, small children learn foreign languages without much difficulty. This is because **they** have a special ability that helps them learn languages fast. This ability weakens when people grow older. Think of the little time children need to learn their native languages.

Therefore, if you have the desire to learn English or any other foreign language, you should begin as soon as possible. Remember that the longer you wait, the harder it will become.

- The best title for the passage would be \_\_\_\_\_.  
A. Special Abilities for Language                      B. Children and Grown-ups  
C. Language Learning: the Younger, the Better      D. The Popularity of English

A. they have much time to do it                      B. they have special ability  
C. they are more interested in languages                      D. they are smarter than grown-ups

**Câu VII. Đọc đoạn văn sau và trả lời các câu hỏi. (0,8 điểm )**

The modern game of hockey is a fast and exciting game for both players and spectators. Each player uses a stick which has a flat side. The ball may only be hit with the flat side of the stick. The head of the stick is made of wood.

Games are played for two periods, each one lasting thirty-five minutes. Hockey requires many skills. Players must learn to use their sticks so that they can run with the ball, pass the ball from stick to stick with accuracy, dodge past other players, tackle opponents and take the ball from them. Every player needs to be in good physical condition.

There are 11 players in a hockey team. The idea of the game is to score more goals than the opposing side. A goal is scored by hitting the ball past the opposition and shooting it between the goal posts. Each goal is worth one point. Hockey is played on a grass field the same size as a football field or on a synthetic surface. There is also a version of indoor hockey with modified rules.

- Is the game of hockey a team sport or an individual sport?
